Ms. Fateman,

Attached is a letter with enclosures from the Knightsen Town Community Services District (KTCSO) regarding the Knightsen Wetlands Restoration Project. Please distribute this to the members of the East Contra Costa Habitat Conservancy Governing Board and to members of the Public Advisory Committee. Early last year members of the Knightsen community and myself attended meetings of your Governing Board and the Public Advisory Committee and they did not seem to be aware of our concerns.

The KTCSO Board of Directors and Knightsen community members look forward to your response.

Thank you.
